CHELAN CHASE PROCEEDS

Lake Chelan Community Hospital

The Chelan Chase donates 50% of its proceeds to the Lake Chelan Community Hospital (LCCH) Mammography Department to provide mammograms and diagnostic services at no personal cost to all individuals who are uninsured or underinsured.

American Cancer Society/Chelan-Douglas Relay for Life

The Chelan Chase donates one quarter of its proceeds to the Chelan-Douglas Relay for Life for breast cancer research. The Chelan-Douglas Relay is held in East Wenatchee each June. The total proceeds are then passed on to the American Cancer Society programs that include cancer research, school and worksite educational programs, public policy efforts and direct services to cancer patients and their families. Relay for Life is the American Cancer Society's signature activity.

Wellness Place

The last quarter of proceeds is allotted for Wellness Place, a nonprofit that provides support to cancer patients from North Central Washington. Their services include free wigs, head coverings, nutritional supplements, compression glove/sleeve assistance, prescription assistance, lodging & travel assistance, fitness classes, and support groups. They strive to meet the needs of all cancer patients. If you are a cancer patient and have a need that is not currently being met, Wellness Place will work hard to accommodate your request.

SPONSORS

The Chelan Chase is proud to be associated with our sponsors. Their commitment and contribution to the Chelan Chase and the Chelan community are essential to the success of the event. We urge you to support them! See our web site for a listing of sponsors. www.chelan.chase.com.

Welcome to Lake Chelan

The Lake Chelan Valley is an oasis under the hot North Central Washington sun, nestled in the North Cascades National Forest and encompassing the communities of Chelan, Manson and Stehekin. At 50.5 miles and 1488 feet deep, Lake Chelan is one of the most pristine lakes in the United States. Deep valleys rise from the lake to massive glaciers in the heart of the North Cascades. At the upper end of Lake Chelan, Stehekin is accessible only by boat or airplane. Portions of a National Park, two National Forest Wilderness Areas and a National Recreation Area encompass much of the Chelan drainage. www.cometothelake.com

While visiting the lake, take time to stroll through small town America. There is something about historic downtown Chelan that makes you feel at home while shopping, dining or just walking the scenic Riverwalk Park loop. People wave at each other, store owners greet you by name, parades feature kids and dogs and community events revolve around families. Enjoy our restaurants, farmers markets, fishing, our famous apple orchards, wineries and businesses. Don't forget about golfing at Lake Chelan on it's championship level courses.

Visit our wineries! In April 2009, the federal government approved the Lake Chelan American Viticultural Area (AVA), making our region the state's 11th appellation and home to 15 wineries and 280 acres of vineyards. www.lakechelanwinevalley.com. Most of the boutique wineries have incorporated a bistro and live weekend entertainment. For a self-guided tour, pick up a wine-driving map at the Lake Chelan Chamber of Commerce, www.lakechelan.com.
